## Fancy creams

### Storage:

cool at max. 18°C, dark, dry  
relative air humidity: max. 60 %

PFNd Nutine filling,  
dark

An economical praline-like paste for baking or cutting. It is used for filling pastries, fancy cakes and chocolates. It contains a well-balanced addition of cocoa and hazelnuts.

DCD Cremella dessert cream,  
soft

A very favourably priced soft filling suitable for baking and for filling pastries, containing both cocoa and hazelnuts.
